

## **Survey on vaccination training for healthcare professionals**

The EU-funded IMMUNION project is conducting a survey on vaccination training in order to develop an online platform for healthcare professionals gathering useful information and educational materials on vaccination.

The project aims to strengthen the Coalition for Vaccination which brings together European associations of healthcare professionals and relevant student associations in the field. The training platform will be available on the upcoming Coalition website.

The survey is available until 4 July 2021 here: <https://bit.ly/2S53Ixi>

The IMMUNION project is coordinated by EuroHealthNet. The survey is related to its work package 4 which is led by the Standing Committee of European Doctors (CPME) in cooperation with the European Federation of Nurses Associations (EFN) and the Pharmaceutical Group of the European Union (PGEU).
